Eclectics International Company,  
Utumishi Co-Op House, Mamlaka Rd,  
Nairobi, Kenya.

Dear Sir/Madam,

Re: Application for Attachment

I am writing to express my interest in undertaking my attachment at Eclectics International Company. I am a third-year Bachelor of Science in IT student at Kibabii University, with registration number BIT/0049/20. As part of the university program, I am required to undertake a three-month attachment starting from June to August to gain hands-on experience in the industry.

I am interested in Eclectics International Company because I believe that it will provide me with an excellent opportunity to learn and grow in the field of software engineering. The reputation of your company for innovation and commitment to excellence is well-known in the industry, and I am excited about the prospect of being part of your team.

As a student of IT, I have completed coursework in programming, software development, databases, and data structures. During my studies, I have developed a keen interest in software engineering and would like to apply my knowledge and skills in a practical setting.

I am a fast learner, adaptable, and possess strong analytical and problem-solving skills. I am confident that my skills and knowledge will be a valuable addition to your team, and I look forward to contributing to the success of your company.

Thank you for considering my application for the attachment position at your esteemed company. I look forward to hearing from you soon.

Yours sincerely,

Vincent Ouma.
